KEY INSIGHTS

1 Stable Sentiment

Engagement and satisfaction remain relatively stable across the year.

2 Department Gaps

Production and IT/IS show stronger engagement than lower-scoring departments.

3 Tenure Matters

Longer-tenure employees show higher satisfaction scores.

4 Training Outcomes

Training records are distributed across completed, passed, and failed categories.

5 Key Training Programs

Communication Skills, Project Management and Technical Skills are among the most popular training programs.

KEY TAKEAWAY

Stable employee sentiment with strong focus on training and workforce development.
